Dear Club,

I'm thirty, in my sexual prime, and at the moment one man just isn't enough for me. Despite being in a relationship, I have started to fuck my married boss and each time we get together it's like he's desperate to try something new, which is perfectly fine by me! The first time I let him do me anally, his face was a picture of delight – you could tell he couldn't believe his luck. Recently he asked me if I'd tried threesomes and I told him that whilst I hadn't, it was something I was well up for. I was more than happy to taste a woman for the first time and, anyway, it was very difficult to say no to my boss.

The other week he booked me in for an appraisal in his office during the final hour of the day. As everyone filtered out of the building, we kept talking under the pretence of work, until they'd all left. "Do you remember when I asked you about the threesome? Are you still up for it?" I nodded, wondering who the other girl would be and where she was. A couple of minutes later, the door handle turned, and two guys walked in, both of whom I recognised from another department. I looked at my boss quizzically. He just smiled and started undoing his trousers. He pulled his dick from his pants as the guys approached me.

Before I had time to say, "I thought you meant a girl?" I felt a pair of hands cup my tits from behind. They were young guys, and both

good looking, and instantly I thought this is better than I had even hoped for. It was clear that my boss wanted to watch as he had sat back in his leather chair, so I was determined to give him a good show.

With one guy undoing my bra from behind, the other was in front unzipping his flies, so I pulled him towards me and took his trousers down myself. Taking his dick out, it was still only semi-hard, so I put my mouth around it straightaway, letting it grow between my lips. My hands felt round for his firm arse and as I sucked his now rigid pole, I pushed my finger slightly into his anus, making his cock flinch and pulse in my mouth.

My tits were now hanging out over my bra, and I could see my boss tossing himself off at

the sight before him.

Soon I had another dick to wank, as I deep-throated the first one. It felt amazing, like I was in a porn film. I took a dick in each hand, still sitting in my chair, and worked each one as fast as I could. Dragging the guys closer together, I carried on doing this over my extended tongue, taking it in turns to close my mouth around each length. The guy who I had been sucking the longest took my hand and lifted me from the chair, bending me over the corner of the oak desk. The other cock was still in my mouth the whole time. He pushed my thighs apart and began to open up my pussy lips with his thumbs, until I was splayed out in front of him, still sucking his friend like a total whore.

I felt what must have been his two fingers push their way into my already sodden entrance, soon followed by the head of his penis. I had never been fucked from both ends before, and he was soon thrusting into me without any hesitation whilst his friend let me suck just his bell-end between my cheeks. Holding it firmly at the base, I then began to circle my tongue under the foreskin whilst I was being pumped hard from behind. I had to hold on to the desk with my other hand as I was getting such a good fucking and was so hungry for the dick in my mouth that I wasn't going to be satisfied until I had it all over my face.

I held the length of the prick across the side of my face – in full view of my boss – and poked my tongue from the corner of my mouth and dragged it all the way up it. He had to briefly turn away and

STOCKING THRILLER!

Dear Club,

For Christmas, I imagine my wife will buy me a fucking *Downton Abbey* boxset. A show I can't stand, but which she loves, and she'll watch it herself. Normally this would piss me off, but I'm going to console myself with the new issue of *Club*, and a huge xmas wank over my favourite girl, Danielle Maye. If only she was wrapped up and under my tree. With some breathing holes, obviously...
Sean, Sale

A present couldn't be more pleasant than one that's Dani shaped, Sean. Unfortunately, the *Club* office xmas tree was a bit sparse this year. Socks, a Michael Buble CD and some After Eights. We're cancelling Secret Santa next year.

ANNELI RETENTIVE!

Dear Club,

Lovely to see a few more British girls in the latest *Club*, but I'll be honest and say that my favourite photoshoot was actually of Anneli. She, for me, sums up the archetypal *Club* girl. Natural, fresh and beautiful. Let's have more al fresco sets of her soon, and I'll keep on being a *Club* reader.

Charles, Gloucs

Thanks, Charles, we'll pass on your admiration to the lovely Anneli – don't forget to vote for her in the Girl of the Year poll (page 26). We're hoping to shoot some lovely outdoor stuff in Europe in the new year, and we'll definitely add Anneli to our list!

grip his dick to stop himself from coming, as I panted my approval at the rhythmic pounding I was receiving from behind. I motioned with my head that I needed my boss's dick as well, and he staggered towards me, his trousers around his ankles.

His foreskin had barely touched my lips when he shot his wad against my tongue. Opening my mouth wide, I took it mostly in my mouth and some against my cheek as I held the other dick away from my face. My own orgasm had begun to take hold, and I was pushing back hard to feel it as deeply as possible.

I then felt the second load of cUM surge through the cock in my hand, and squeezing the base I sprayed it over my neck and tits as I arched my back, whilst still shaking from my own climax. The two spent guys then watched as the guy inside me rode me to his own orgasm and drenched my arse with jizz. I loved to be covered in cum by my boss, but three loads was something else entirely!

I guess our affair had taken on a whole new dimension, as when he'd asked if I was up for a threesome he didn't know I was more than happy to take more. The next time, I'm hoping that the girl I was expecting this time turns up as well!

She's back!

Welcome back, Sasha!
“Thanks boys, it’s really lovely to be back in front of the camera and back in *Club!*”

How was your time out?

“Well, I went away to start a family, and that’s going great, but absence made the heart grew fonder. I really missed getting my bits out, the reader’s mail, the constant feeling of horniness. Being nude on a photo shoot with a dildo on hand and a stack of men wanting to blow their loads over you? What could be better than that?” ♣

Rubber up the right way...

We've decided, after much umming and aahing, that Mia Malkova is pretty much the perfect woman. She's as pretty as hell, all natural, with stunning curves and a winning smile. She also gets nude a lot, and does rude things when she's nude. And if you were in any doubt as to her amazing sexiness, she's incredibly flexible and gymnastic as well. She's like the Beth Tweddle we actually want to put our penises near. So, Mia, let's just consider this a marriage proposal. You'd better get your rubber-clad arse on the next red eye over here. Cheers. ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BIRTHDAY BUMMING!

It was my boyfriend's first birthday since we'd moved in together and I decided to make it extra special. I took a half-day off work without telling him, so when he got home at 6 PM, I had everything ready. I was wearing a new underwear set which I knew James would love. It showed a lot of cleavage at the top and the bottom part was a thong, so barely covered anything. It came with matching black stockings and a suspender belt to hold them up. I'd done my make-up, hair, nails and perfume, so it wasn't a complete surprise when he ignored my request for him to sit at the table while I finished readying dinner and grabbed me instead, saying he wanted to move straight to dessert.

There was lust in his eyes and I melted when he started kissing me. Secretly pleased, I squealed in protest, knowing full well that the dinner wouldn't spoil by being left for another hour, or hopefully two. The truth was I was happy to skip ahead to the fun part of the evening as he swept me up and carried me into the bedroom. I positioned myself on the bed as he stripped completely and gasped as his erection bounced up into view. I had special plans for that erection – a birthday surprise.

James came up the bed but seemed to change his mind half-way. He started planting little kisses down my stomach until he got to my pussy. The feel of his lips through my panties was torture and pleasure rolled into one. I wanted it, but needed flesh-on-flesh. My body squirmed, pushing out against him, unashamedly trying to get closer. My juices were flowing. I gasped with relief as he hooked the soggy material to one side and licked between the folds of my pussy. As he coiled a finger up inside me, I felt myself losing control. My body started glowing with sexual heat. My pussy tightened, gripping the fingers within and I started to climax. James hurriedly moved his tongue over my clitoris, perhaps surprised that I had orgasmed so quickly. My pleasure spiked to new heights and my body arched off the bed as he licked my most sensitive place. It felt so good – but I knew this was just the start. The anticipation of what was to come and the fact

“He licked me first. It still shocks me to feel him doing it to me, to feel his tongue probing into my arsehole”

James had no idea made the waves of ecstasy all the more intense.

I decided to keep the secret a while longer as I moved over James and wrapped my hand around the thick shaft of his cock. My body started to tingle as I tried to imagine how it would feel inside my bum. I tugged up and down on it; it was so big and hard but hopefully the perfect size for me to have some anal fun with. I looked James in the eye as I angled his cock towards my mouth and moved my lips around the tip. I played with it, using just my lips and tongue. Sucking, licking, gently grazing my teeth over the exposed glans. James moaned with delight even before I slid forward, pushing my lips

down his shaft, taking his cock into my throat. I kept it there inside me and wrapped my tongue around the back of his shaft.

James groaned and I felt his hand stroking my hair, pulling it away from my face so he could see me taking his cock fully into my mouth. I knew how much he loved to see that. I wondered how much he'd love to see his cock buried in my bum. I pulled back, releasing his cock into my hand, smiling as I wanked it, allowing the head to rub along my lips. I was ready.

“I want you to play with my bum.” It was something we both enjoyed – a shared fantasy where I let James use his fingers on my bumhole while I played with my pussy.

eager to move on. I wanted to feel his fingers penetrate me. Only then could I move on to taking his cock in my bum.

James positioned himself behind me, placing a hand on my hips. I felt the cold slipperiness of the lubricant squirt into the cleft of my ass. His fingers worked their way inside me, penetrating my bum. I'd got used to doing that with him. I liked him fingering my bum whilst he jerked off, the shared fantasy being that it was his cock going in there, into my arse. I'd always said that I'd never let him stick his cock in. But we both knew that was a lie; however I had wanted to save my anal cherry for a special occasion. His first birthday in the house together seemed special enough.

"I want you to stick your cock in my arse." I said it quietly, into the pillows. I wasn't sure whether he'd even heard me.

"Are you sure?" he whispered back. He wasn't surprised – but that didn't take away from the value of my present to him.

"Yes – I want to feel your cock in there," I said, wiggling my bum. The fingers slipped away and I felt the mattress shift as he moved around into position – into a position where he could guide his cock inside my bottom. I gripped the sheets, bracing myself for the pain that I was about to experience. I felt it at my entrance. I felt the pressure – it was nothing like slipping his cock into my pussy: this was an effort. I felt him using his thumbs and fingers to apply pressure directly to my bumhole. Then the pressure eased. I thought he'd stopped trying.

"Oh my god," James said. "My dick is in your arse." I didn't know until he told me. I had been expecting to cringe with the pain of it – but it had just gone in. I started breathing again. My fingers moved down between my legs and I could feel it. The shaft of James' cock was sticking out of my ass – which meant some of it was inside. I felt so dirty, like a porn star. Dropping my fingers back down to my pussy, I started rubbing.

"Push it all in," I told him.

"Are you sure?"

“It felt amazing as his shaft passed through the tight muscles of my arsehole. I was being violated and it was wonderful”

"Do it, now!" I snapped. I wanted all of his cock inside me and I pressed back as he pushed forward. It felt amazing as his shaft passed through the tight muscles of my arsehole. I was being violated and it was wonderful. As the hairy warmth of his belly touched my bum, I knew that I'd taken the whole thing. It was throbbing inside me, making my bum ache with pleasure.

"Fuck me, nice and slow," I gasped. My breath quickened as I felt my boyfriend's cock slide out of my arse before easing back in.

"That looks amazing!" he groaned with obvious delight. My body started to tingle as he did it again, and again. He was doing it; he was fucking my arse. My clitoris slithered-out from within the folds of my pussy and I moaned as my fingertips brushed across it. That one little noise encouraged James to increase the tempo and I gasped at the shock of him slamming his cock into my arse. The tempo cranked-up again. It was like being stuck in a feedback loop. My every noise encouraged him to go harder and faster and the harder and faster he went, the more noise I made.

I was about to orgasm again. I couldn't resist as James pounded my arse. I'd expected to struggle, to take it slow and steady and here he was fucking me like an anal slut. That thought, that label of 'anal slut' took me over the edge. A delicious surge of ecstasy flooded my empty pussy, quickly followed by wave after wave of pleasure. I tightened my arse muscles around James' cock, gripping him, holding him in place, and with every inch of his cock buried inside my

Only this time I was going to let him fuck my little arse. He smiled knowingly. Perhaps he had anticipated my birthday present to him. I tried to keep the secret by hiding my face in the pillows and thrusting my bum into the air. He gently moved my hair to the side so that he could kiss down my spine. Tickling, tingling pleasure radiated down my body. He gripped my panties and slid them down and off with practiced co-ordination. I spread my knees as soon as I was free, feeling my pussy and arse open-up as I exposed them to him.

"Your ass looks amazing," James said. I felt his breath as he moved in for a closer inspection. "You've got such a pretty little arsehole." I love it when he talks about my bum and I tensed and relaxed my muscles, playfully winking at him. He licked me first; he always does. It's so rude. It still shocks me to feel him doing it to me; to feel his tongue probing into my arsehole. But this time I was

“He turned me over onto my knees and kneeled behind me, rubbing his dick in the crack of my bum”

tightest hole, he came. He cried-out and I imagined his cock firing load after load of spunk into my ass and my fading orgasm re-intensified.

“That was amazing,” James said, as we both fell back onto the bed.

“Happy Birthday,” I replied, kissing him on the lips.

“I can’t wait until my next birthday,” he said, smiling hopefully.

“Oh, I don’t know that I’ll make you wait that long – it’s my birthday soon.”

FILM PHWOAR!

The first time my boyfriend put on a porn movie, I must admit I felt a bit strange. However, now I’m used to it, we often watch movies to get us in the mood for sex. Adam always chooses them, and I haven’t said anything, although they seem to be getting filthier each time! Normally, whatever we see on the film leads us to try it in our own lovemaking. The first time I tried anal was straight after seeing it on screen.

When he brought back the latest DVD, I could tell from the sleeve that it was full of gangbang scenes and I was a little nervous, thinking that he might want us to try that. Instead, while we were watching it, he asked me if it turned me on seeing women have

dildos inserted into them. One girl was getting fucked doggy style, and the guy was dipping a thin silver vibrator into her tight little brown hole. I now love having a dick in my anus, so I admitted that I’d probably enjoy it, especially if my pussy was getting it as well.

As we got down to our own foreplay, Adam revealed the big rubber dildo that he had bought, hoping that I would go for it. It was much fatter than the one I had just seen slip in that girl’s arse, so I said I wanted it in my pussy first. Adam went down on me, licking me and poking my snatch with his tongue. He was using two fingers to frig my clit and within minutes my cunt was dripping and ready.

Pushing the dildo in was easy, and Adam could move it so quickly that it was a good first ‘fucking’ of the night. Adam had his dick out, wanking at the sight of me being filled with the rubbery length, and I sucked and bit my own nipple as he watched. Taking the dildo from my twat, he turned me over onto my knees and kneeled behind me, rubbing his dick in the crack of my bum. He then pushed it downwards and between my lips, driving into me in one smooth movement, until his balls were resting against my mound.

Taking the dildo, he reached around for some lubricant, dipped it in and began to rotate it against my tight bumhole. The more he fucked my pussy, the more my sphincter

relaxed, and I could feel the length working its way up my chute. My legs were splayed, and craning my neck around I could see it disappearing inside me.

Adam was working up a steady rhythm, with his dick pushing as deep as it goes as the dildo was on its way out of my bum, ready for it to be driven back in. My fingers were gripping the carpet and I was growling in ecstasy as Adam relentlessly hammered both holes. When I could finally take no more, I screamed “I’m ready!” and Adam held my hips, leaving the dildo sticking out of my arse and pulled me onto him, as my cunt widened, coating his dick in my juice. As I continued to cum, he then pulled the dildo slowly from my anus, until it slipped out, causing my sphincter to contract once again. Biting down hard on my lip as he did this, I then felt the spray of his load on the small of my back, and stayed on all fours letting it trickle down into my bum crack.

I could hardly move for the next few minutes, but as I looked at Adam I could almost see his brain thinking about which movie to bring home next time!

JONNI ♣

Jonni B Bad...

We've only just got used to having a girl called Brett in the magazine, when along comes debutant Jonni to further stir things up.

"Oh, I know Brett!" the sunny 20-year-old gushes, "I've done some work with her. Ha ha, it's true – if you told your friends your two favourite pornstars were called Brett and Jonni, they'd think you were gay! But I didn't choose this name, I was born with it. I'm sure your readers can tell the difference between me and a man in my photos though!"

Yes. Although another close inspection of your body can't hurt... ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Privy Pinchers!

In a thief's general idea of a good haul you might expect to find the obvious laptops, iPhone 5 and perhaps the odd kitchen appliance. However, we doubt an outhouse would be top of the pinching list, especially an 8ft tall, ply-boarded version complete with 80's toilet seat cover. Definitely a two-man job! Unfortunately and much to his surprise Randy Nemirsky's privy vanished from his farm near Edmonton, Alberta,

after thieves struck in the night. As you can imagine he wants the outhouse returned for personal reasons and is offering a \$507 reward. We think you'll be digging holes for a while yet, Randy!

Cheesy Trail!

Hansel and Gretel were playing it safe with the breadcrumbs, why not opt for an invigorating cheesy Cheetos trail, you could sniff your way back instead? Deputies in Kershaw County arrested Austin Lee Westfall Presler for a raid on a general store. After smashing his way in, it's reported that cigarettes and beer were amongst the stolen items, however on leaving

the store, Presler left a unique parting gift. Before exiting the store, Presler opened a fatal bag of Cheetos that would lead to his timely undoing. Leaving behind a cheesy trail leading all the way to his front door, Presler was found by police ensconced with the stolen items. Poor chap, he just couldn't resist those cheesy puffs!

Rabbit Food!

How many carrots does it take to hide \$500,000 of marijuana? A whole truck full, apparently. An unnamed driver who is being charged with the attempted illegal smuggling of marijuana plants, quickly went up in smoke as his unusual disguise failed to thwart officials at U.S Customs and Border Protection, who weeded out the 29-year-old citizen from Maywood, California. His Bobtail truck was making its way from Baja, California to the Otay Mesa cargo facility, when it was stopped by officials and the haul discovered. Perhaps some weed-taking bunnies had put in a big order.

Tit Target!

Some may think of breasts as being an autograph platform for rock stars, whose screaming fans line up for the privilege! Nonetheless one entrepreneur's unique advertising scheme seems to be paying off, with one of her breasts for a fiver (bargain!) and the twin set being a stomach-able £9 (maybe one's bigger than the other).

Initially starting out on a Czech Republic version of Gumtree before re-listing on Facebook, which with its widespread usage provides a superior promotional platform, she's gaining notoriety amongst users. "It's good value for money... But I'd pay double if I could write the advert myself." Something to bear in mind for future reference. ♣

READER'S

GIRLFRIEND

NAME: Evelyn **AGE:** 22

FAVE SEX: Candlelit but wild!

WHAT'S SHE LIKE? Cute, natural but with a naughty side.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I wanted to be in the company of the amazing women you have in here. And I wanted the men I know who read it with their cocks out to turn the page and see me naked!

DOES THAT IDEA TURN YOU ON?

So much. A few blokes I work with read *Club*, and the idea of them pumping their cocks over me makes me really wet.

WE IMAGINE THAT'S SOMETHING THEY DO ALREADY!

I hope so. I caught one bloke touching his crotch at his desk once, looking over at me. I called his bluff and told him to come and show me it in the toilet. He got flustered and didn't turn up.

HIS LOSS.

It was. I quite fancied sucking his dick. Maybe if I put this issue on his desk he'll get the message!

Fancy a Reader's Girl slot?

Then send a picture, along with your name, address and a contact telephone number to:

Readers' Girls, Club International, 23 Loyon, Street, Hersham, KT12 3PU (or email clubint@paulraymond.com).

If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

SAMANTHA ♣

A Saint she ain't...

While she may live in Los Angeles these days, for Samantha Saint, Memphis will always be home.

"You bet," the multi-award nominated sex star draws. "We got the best food, the best music and the best girls."

So why move?

"For the work, of course. You ever heard about Tennessee's adult industry? That's 'cos there ain't one. Nope, if I wanted to get paid to lick pussy and get fucked by big 'ole dicks, I had to move to LA. But when I retire, I'm going home to show those Memphis men exactly what I learned!" ♣

TALKIN' BLUE

WET AND WETTER!

The rain was horizontal as I ran across the car park. Even with an umbrella I was barely keeping my top half dry and it seemed a long time since I'd been luxuriating under the hot shower at home. I thought back to the leisurely breakfast, the toast and coffee and cursed myself as I ran. If I'd got a move-on, I would have been at my desk looking out at this sharp shower rather than running through it. I stood dripping in the lobby waiting for the lift and examined the damage – I was soaked to the skin from just below my crotch. Why had I chosen to wear jeans? They creaked as I shuffled into the lift. I pressed 'three' and tried to think of something – I didn't want to wear wet jeans but the only other option seemed to be to spend a day in the office in just my knickers. I laughed at the image – at the cheap thrill it would provide for the rest of the team.

An umbrella appeared in the gap just as the doors were closing. The doors opened to reveal Richard. "Glad to see that I wasn't the only one," he said cheerfully, looking down at my legs. Now that I looked, I could see his black trousers were clinging wetly to his legs.

I narrowed my eyes at him. "Thanks," I said, allowing some of the annoyance I was feeling to slip into my voice.

"Haven't you got something you can change into?"

"No, not really – who keeps a change of clothes at the office?" I asked sarcastically.

"Me," he replied with a shrug. I could have throttled him. "I might even have a spare pair of tracky bottoms which I could lend you." I leapt at the kind offer... only it wasn't an offer, it was a trap.

"Pardon?" I asked, feeling the heat rising in my body. Richard was holding the pair of tracksuit bottoms but had just revealed the terms of lending them to me.

"I need you to give me your jeans first, as collateral."

"And how am I supposed to do that?"

"You just take them off and give them to me."

"You want me to take off my jeans... in here?"

"Yes, it's quite easy. Watch." And watch I

did as Richard kicked-off his shoes, unbelted his trousers and dropped them on the floor. "See? Easy." I felt myself blushing as I looked down. Richard's blue boxers were undeniably two shades, dry and wet, and they were bulging.

"Your... err.... boxers are wet." It was a challenge; he'd been expecting me to strip to my underwear, now I found myself demanding even more from him.

"So they are. I suppose they'll have to come off too." I took a sharp intake of breath as he whipped them down his legs and stood-up, leaving a fully-erect cock pointing at me. I was genuinely shocked, incredulous at what had happened, at what I was seeing.

"Your turn," Richard said, grinning. My fingers worked the buttons of my jeans and he watched as I wriggled out of them. Was he going to try and have sex with me? If he did, would I let him? My body already knew the answers to both questions. I knew what I wanted and went across his office to make sure the door was locked.

"Is your pussy wet?" he asked, cheekily. Not my knickers – my pussy. I perched on the desk in front of him, pulled my knickers to one side and used my fingers to spread my labia. As he watched open mouthed, I inserted my middle finger, using it as a dipstick. It came out glistening with juice and I held it up for him to see. Richard gripped my wrist with both hands and took my finger into his mouth. I loved the way he did it, the enthusiasm, and the hunger. I knew what he wanted from me.

"May I?" he asked softly, looking deep into my eyes. I nodded, my fingers gripping the desk as he dropped to his knees, facing my crotch. He didn't go for my pussy right away; he started by kissing my knee, working slowly up my inner thigh. It's a very sensitive area for me and I was desperate for more by the time he reached the material hiding my pussy. I will never forget the way it felt as he

lightly kissed the damp material – it was a deliciously teasing mix of ecstasy and torture – enough to stimulate but not enough to satisfy. My crotch pushed out against his mouth, desperately trying to heighten the sensation but I only got true pleasure when Richard finally eased the wet material aside.

He licked and sucked my pussy in a way that drove me wild. His tongue was hard, then soft; moving with little licks and then great sweeping circles. Forgetting where I was, I started to moan, both to show my appreciation and to encourage him. So what if someone heard? I grunted happily as I felt pressure being applied to my hole and two fingers slipped inside. My hips lifted off the table and pushed down against the penetration and his mouth. It felt amazing – but I wanted more. I was on the edge of an orgasm which broke as Richard sucked my clit into his mouth and tapped the exposed

“ **He withdrew and I slipped off the table, on my knees, offering my open mouth to him”**

button with the tip of his tongue. I wailed, my fingernails biting into the desk as I forced my crotch into his face.

Before the orgasm had properly subsided, Richard was moving up and over me. “I need to fuck you,” he growled, even as his cock was slipping inside me. This was the kind of sex I had often fantasised about: hard, passionate and hungry. Richard’s hands found my knees and spread my legs as he pushed his cock deep inside me. “Ooooooh fuck!” I watched Richard’s face crease with the effort of pounding into me.

“When I cum, I want to shoot it all over your face.” My pussy clenched in response to his dirty words.

“In my mouth,” I corrected. “I want to swallow it all.” The words made him groan with desire. The speed of his stroke increased just when I needed it most. I came again. The pleasure was harder and sharper this time; more satisfying as I rubbed my clit even as Richard continued to fuck me. He withdrew and I slipped off the table, falling to my knees, offering my open mouth to him. He had perfect aim – that first dollop of cum landed on my outstretched tongue and he shoved his cock into my mouth just as the second salvo fired. I sucked hungrily, wanting to

take his seed from him and demonstrated my oral skills by extracted every ounce of pleasure for him.

“Well,” he said, and I returned the smile after I’d swallowed for the final time. “I think you’ve more than earned these.” He handed over the tracksuit bottoms. I’d almost forgotten how this had all started. I tugged them on – they were black and once I’d adjusted them, they were pretty respectable. Richard was wearing a matching pair by the time I’d finished. “Feel free to pop in later to pick these up,” he said, holding-up my soggy jeans for inspection.

“I take it there’ll be a collection fee?”

“I’m sure we’ll be able to come to some arrangement.”

BRIGHTON COCK!

My friend Hayley and I have been going out on the pull together ever since we looked old enough to get into pubs. Over the past few years we have shared more than a few stories and naughty situations together. The one thing we hadn’t shared before, however, was a bloke. We were chatting about this, when Hayley suggested that we break a habit of a lifetime. I was even more surprised when she explained what she meant! She finished by saying, “We can’t let the men go round

thinking they're the only ones who can act like that."

The next time we were out in our local late bar, Hayley was all over some guy, and he was desperate to get her out of there and back to his. "I can't leave my friend here," she told him when we were all stood together by the exit. He reluctantly agreed that I could go back to his as well, as he was clearly so desperate to shag Hayley. In the cab, Hayley was whispering stuff into his ear all the way back, and I knew his balls must have been aching with anticipation.

He had a really nice flat and made us both a gin and tonic, making stilted small talk with me whilst hinting to Hayley that he wanted to get her into bed. His final effort came when he said to me, "You can stay over you know, Emma, I'll make the spare room up for you, it's no problem." Hayley instantly interjected with, "Can't we both stay in your bed?" His only response was to laugh nervously, obviously waiting for me to protest. When I didn't, Hayley continued, "Have you never had two girls before?" Still not sure if she was joking, he slowly shook his head. "Well, we've never had one bloke together before," said Hayley confidently and leaned in to kiss him.

Watching them snog and grope each other on the sofa, I wasn't sure what to do, and felt a little nervous. Hayley motioned me over with her eyes and began to undo his flies, rubbing her hand over his dick as it bulged in his underwear. I walked over to them, and when I was close, Hayley reached out for my wrist and pulled my hand towards his crotch. His prick was straining to be released, so I pulled back the band on his Calvin Kleins, allowing it to stand erect.

As I began to work my hand up and down

“He rubbed my pussy as he pounded Hayley’s cunt, making her scream herself to orgasm”

it, Hayley cupped his balls and started rolling them gently against her palm. The guy couldn't believe his luck, and uttered a breathless, "Fucking hell!" The next thing I knew, Hayley had slid down on to her knees next to me, and began to tease the tip of his pole with her extended tongue. His shaft was still in my hand and I found myself feeding my friend's face with his meat. Taking his cock out of my hand, Hayley removed her own lips and muttered seductively, "Are you going to taste it, Em?" His dick twitched like crazy as I took it in my mouth, and soon we were working it between us, passing it in and out

of our lips, one of us tonguing the scrotum whilst the other deep-throated. It was so horny, seeing how wild we could drive this guy we'd just met.

Hayley left me sucking him off whilst she stood up and took her skirt off, followed by her panties. I took it out of my mouth, allowing

her to steer his length into her snatch, sinking down on him so slowly that he moaned his pleasure. Hayley was soon fucking him like a woman possessed, and I was snogging him as he fondled my tits and nipples.

"Touch each other," he begged, and I turned to Hayley to see her reaction. She just smiled wickedly and replied, "You better fuck us both hard if we do, okay?" He nodded eagerly, and soon I was behind her kissing her neck and rubbing her big tits as she rode him. Her skin felt amazing, and it didn't feel strange at all touching my friend.

By the time I was touching her clit she was almost ready to cum, but she suddenly demanded, "Fuck us both on our knees," drew herself up off him and waited doggy style on the floor. I copied this position alongside her. My pussy was sopping wet from pleasuring both of them. My arse cheeks were touching hers, and he poked and rubbed my pussy as he pounded Hayley's cunt, making her scream herself to orgasm. She'd barely subsided when he pulled his cock from deep inside her and positioned it at my entrance. I just had time to part my own fanny lips before he was driving it inside me.

I needed it badly and knew he wasn't going to last for long, so I rocked back against him, my bum slapping against his thighs. Hayley was now urging him to make me cum. I didn't keep him waiting and soon I came, allowing

“He had his bell-end touching my open mouth as I continued to wank him off. I was using my tongue on the underside of it”

my juices to drench his cock. He immediately pulled out from me and sprayed his load over my bum.

Recovering from my climax, I just stared wild-eyed at Hayley, who was wanking the last few drops of jizz from his penis. We didn't need to say anything, but the wicked look she gave me summed up how much we'd both enjoyed it. We knew then that things would never quite be the same again. Now there's no limit to our fun!

WILD WAITRESS!

Since I took a job as a drinks waitress in a posh bar, I've had so much attention from the wealthy guys. I've always been highly sexed and love to be flattered by men. It certainly makes a change from getting hassle from customers like I used to at the old restaurant I worked in. Most of them are just too old for me to fancy though, however much money they might have. Nonetheless, you do get some young guys in there, who are single and have plenty of money to flash around.

Two guys around about thirty had been coming in for a couple of months, and always had girls in tow who looked beautiful, but simply hung on every word they said. One busy Saturday night it was no different, and the guys and their dates propped up the bar all night, drinking champagne and shots. I'd chatted to them a few times, but this time they both seemed more eager to chat than usual, asking me when I finished work and if I wanted to party with them. I was up for a bit of a laugh, so agreed, telling them I finished at one. I was very surprised, however, when they packed their girls off home in a taxi before closing and waited at the bar for me. I didn't care though, as I was now on my own with two hunky guys and was chuffed to have finished work.

After a few drinks at a bar nearby with a later licence, one of the guys, Tom, suggested we dive back to his for some cocktails. His apartment was amazing, and no sooner had I sunk down in his huge corner sofa than a perfect cocktail was being passed to me. After a few drinks more I asked them, "Why did your girlfriends leave?"

"Oh, they're not our girlfriends – anyway, they're boring," Tom replied. I giggled slightly,

and saucily asked, "How do you know I'm not?" Tom smiled and said, "Do you think we would have got rid of them, if we thought you were?" His friend, Alex, sidled along next to me and, taking the drink carefully from my hand and placing it on the table, began kissing my neck. My eyes were fixed straight ahead at Tom, who raised his eyebrows at me, just to check I was all right with the situation. Once my smile of approval had been delivered back, he was on the floor in front of me running his hand under my skirt.

Dragging my knickers back over my thighs, he pushed my skirt up and buried his face into my mound. His tongue began teasing my button immediately, and I clenched my bum cheeks rhythmically, raising my pussy against his face with each lick. My free hand was my left, which was clumsily fumbling for Alex's dick that he was freeing from his trousers.

Once it was out, he stood up on the sofa next to me, allowing me to reach around with my right hand. Once I had it in my grip, I began to masturbate it hard, inches from my face.

Edging forward, he soon had his bell-end touching my open mouth as I continued to wank him off. Dipping my head over it, I was using my tongue on the underside of his shaft as he gently fucked my mouth. It was incredible to be giving him this pleasure whilst my own pussy tingled from the tonguing it was receiving. That tongue was soon replaced with another dick, however, which parted me easily, before sliding into me.

With Tom now shagging me for all he was worth, his friend stepped out of his trousers and across my chest until his feet were either side of me. I could now deepthroat him head on, taking him really far into my throat. I

eased off on him, taking each ball into my mouth and licking under his scrotum, teasing his pulsing prick.

Suddenly, I heard an, "Oh fuck, I'm going to fucking cum!" from Tom, and I quickly took Alex from between my lips and breathlessly commanded, "In my mouth!" His face contorted with pleasure and, grabbing his meat tightly in both hands, he recklessly clambered up to me as Alex got out of the way. An almighty shot of spunk greeted my open mouth, and clamping my lips around it I

swallowed every last drop that he had to offer. I felt a new prick in my cunt pumping away urgently. The whole of my lower body went numb as I came heavily over his shaft.

"Can you take some more?" Alex panted at me, and with my eyes still glazing over I just nodded. Soon his cock was back in my mouth, squeezing the second wad down my throat. I was behaving so filthily now, that I insisted on keeping him there until I'd licked his foreskin clean. Tom had been wanking at the sight of this, and managed to produce a

few more drops of cum, which I slurped down from the tip of his dick.

My thighs were spread wide apart, sticky from all our sweat and my own juices. I had a spent prick in each hand, either side of my face, and had the taste of both their loads filling my mouth. It was an experience unlike anything I had felt before. And another thing – I had certainly proved them right about not being boring!

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Known best as Bella in the soul-sucking, life-worsening series of *Twilight* films – we speak as people who watched the first couple, and even read one or two of the ‘books’, so we could be ‘down with the kids’ – Kristen Stewart has also made her name as an actress of repute in some decent films. She was ace as Joan Jett in *The Runaways*, sweetness itself in *Adventureland* and revealed glimpses of the hot body beneath the clothes in *Welcome to the Rileys*. But it's as Marylou in the recent adaptation of Jack Kerouac's *On the Road* that she's finally come of age as an actress. In other words, she's finally shared her tits with the world. *On the Road*? On the load, more like. Well, it nearly works... ♣

Mad about the girls...

While we can in no way condone the spelling of 'Madelynn' that the beautiful brunette on these pages uses, what we can condone is what she gets up to with her close friend Tanya.

Americans are known for their 'refreshing' attitudes to names and spelling, but also for their red hot bi-babes tearing into each other like they live in a world without dick. FYI, girls, you don't.

Tanya, meanwhile, is more conservative in her spelling, but no less wild when it comes to filling her face with sweet pussy and ass. There's only one way to spell 'horny'... ♣

ANGELICA ♣

Curves for your balls...

If there's one thing that Angelica hates, it's skinniness.

"I don't know why people want to starve themselves so they look the opposite of sexy," she fumes. "I'm a curvy girl and men seem to appreciate that – they like a bit of boob, a bit of bum. They don't seem to be into bone as much!"

And your taste in men?

"I like a bit of heft as well. I want a strong man, but I'm not into that abs and six-pack gym bullshit. That's just vanity. I want a man who lives like a man. And, hopefully, fucks like a man as well!" ♣

Nice to PVC-ya!

This isn't Eve's usual kind of seduction outfit.

"I'd normally go for something a bit more classic and subtle," she says, "but I'm in a kinky mood, so I thought I'd splash out on this."

How kinky is kinky?

"Well, I'm going out to pull a guy and I plan on doing things to him that you can't even publish in your magazine. As for things you can – well, we'll be doing all of that as well. Trust me, tonight will be wild!" ♣
